Employee Shout outs:

- Thank you to Mrs. Daisy for always going about and beyond for our residents.
- Thank you to all off our shifts for all your hard work !

Frosting:

1. In a large mixing bowl, beat together softened cream cheese and butter until light and fluffy.
2. Next, with the mixer on low, slowly add powdered sugar, mixing well. Add in vanilla, salt and whipping cream. Beat mixture on medium for approximately 3 minutes. If frosting is thicker than you prefer, you can add an additional table spoon of cream of milk.
3. Finally frost cake as desired. Store cake and frosting in refrigerator.

Sweet Treat!

Carrot Cake!

Prep Time: 15 Minutes

Cook Time: 45 Minutes

Ingredients:

Carrot Cake

- 3 Cups all purpose flour
- 2 teaspoons baking soda
- 1 tablespoon cinnamon
- 1 teaspoon salt
- 2 ½ cups granulated sugar
- 4 eggs
- 1 ½ cups vegetable oil (you could use coconut oil or another oil if you prefer.)
- 1 cup applesauce
- 2 teaspoons vanilla extract
- 3 cups shredded carrots

Frosting

- 8oz. softened cream cheese
- ½ cup softened butter
- 3 ½ cups powdered sugar
- 2 teaspoons vanilla extract
- Pinch of salt
- 1 tablespoon whipping cream milk will also work.

Cake:

1. First, preheat oven to 325 degrees. Next grease and flour two 9-inch round cake pans. If desired add parchment circles to the bottom of the pans for easy cake removal.
2. In a large mixing bowl. Mix together flour, sugar, baking soda, cinnamon and salt.
3. Using a separate bowl, beat eggs slightly. Add oil and vanilla extract to eggs. Stir 'til combine. Add shredded carrots and apple sauce to the mixture and stir 'til combine.
4. Fold the wet mixture to dry mixture and stir until combined. Do not over stir.
5. Finally spoon batter into prepared pans and bake for 40-45 minutes or until toothpick inserted into the cake comes out clean.
6. Cool cake for approximately 10 minutes in the pan, then transfer cake to wire racks to cool completely prior to frosting.
